Shree Ashutosh Industries

Shree Ashutosh Industries, established in 1966, our company is based in Rajkot, the industrial capital of Saurashtra - Gujarat.

Our plant is located in the heart of the city so it is very convenient for transportation, by road, rail and air, from any part of our country.

Our company is amongst the foremost manufacturers and suppliers of Cement Pipe Machinery Products which includes; Runner Machine, Mould, Gear Box, Speed Variator, Mixture Machine, Collapsible Reinforce Machine, Coil Stand, Trolleys, Load Testing Machine, Pressure Testing Machine & All the other related products.

All our products are manufactured under professional supervision and strictly as per ISO - 9001:2015 standards, by excellent quality raw materials to bring out our best quality range of RCC pipe machines. The entire range offered by us is available in different sizes and specifications to meet the IS:458 standard.

With a robust infrastructural setup, we are always well equipped with all the required manpower, machinery and tools. Our machinery and tools are operated by highly skilled professionals. One of the many reasons of our smooth and flawless products is our division of units namely; design, purchase, quality, logistics, and service. We are constantly involving ourselves with the changes in our field to cope up with the latest requirements of the market. Our company is known since decades for delivering the best quality range of Cement Pipe Machinery.

We have the best skilled team of professionals, who have great personnel acumen and rich experience in this industry. Our professionals make their dedicated efforts to achieve the defined goals for the organization.

We at Shree Ashutosh Industries are bound to deliver the best on time to our esteemed customers....

Runner Machine

Model	Size	Shaft Dia (mm)	M.S. Wheel Dia (mm)	Frame l/ C Sec. (mm)	Diameter
SAIR 1	2 Metter	65	525	150 x 75 (C)	100 to 300mm
SAIR 2	2,5 Metter	65	525	150 x 75 (C)	100 to 300mm
SAIR 3	2,5 Metter	100	750	300 x 140 (I)	300 to 900mm
SAIR 4	2,5 Metter	125	800	300 x 140 (I)	300 to 1400mm
SAIR 5	2,5 Metter	150	900	450 x 150 (I)	600 to 2400mm

Suitable for all type of cement pipe like Plane Ended, Flush Joint, Spigor & Socket type.

Shree Ashutosh Industries

Mould

- 2 meter & 2.5 meter length are available
- All class of moulds are available in Plane ended, Flush joint, Spigot & socket, R.R. joint type.
- Moulds are complete with M.S. sheet/Plate, Angle/Flat, Tie-rods, Nut-bolts, C.I. Ring.
- Rings can be made from Mild steel Also (single piece not a Fabricated).
- Without any change spigot socket mould can be run on same time.
- Make all the mould orders according to the Indian standard.

Shree Ashutosh Industries

Gear Box

Suitable for above runner machine

Speed Variator

Model	Cone Dia. (mm)	Shaft Dia. (mm)	Frame I / C Section (mm)	Inner Belt	Diameter
SAISV 1	525	65	150 x 75 (C)	6" x 6 ply	100 to 300mm
SAISV 2	675	75	200 x 75 (C)	8" x 6 ply	300 to 1200mm

Suitable for Runner Machine

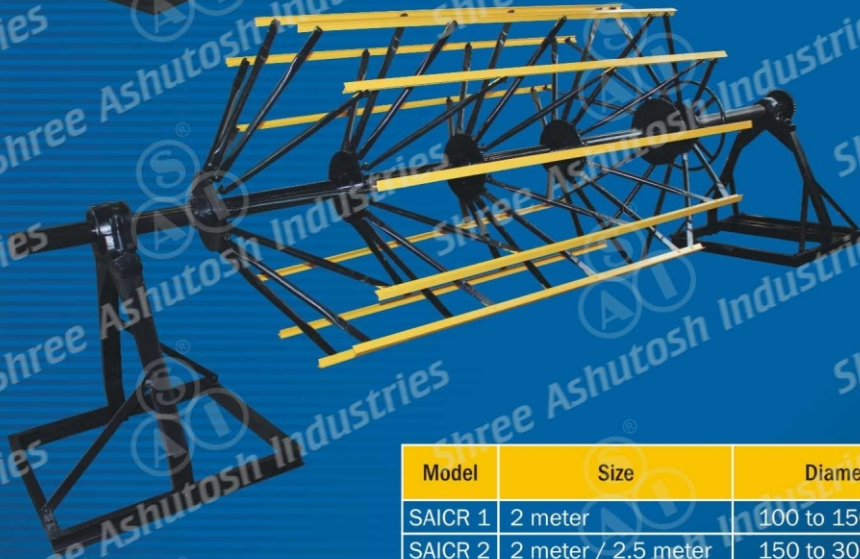

Shree Ashutosh Industries

Mixture Machine

- ° Tilting Drum type, One bag capacity Mild Steel Body with suitable Frame, Taper Roller Bearings and Metal bushing Pinion Shaft.
- ° Foundation type (Suitable for Cement pipe Unit).

Suitable for all type of cement pipe like Plane Ended,
Flush Joint, Spigor & Socket type.

Model	Size	Diameter
SAICR 1	2 meter	100 to 150mm
SAICR 2	2 meter / 2.5 meter	150 to 300mm
SAICR 3	2.5 meter	300 to 900mm
SAICR 4	2.5 meter	450 to 1200mm
SAICR 5	2.5 meter	900 to 2400mm

Shree Ashutosh Industries

Coill Stand

It is used for reinforcing machine

Trolley

It is used for finished pipe put in to different raw.

- Three Edge load testing machine complete with hand operated oil pump with hydraulic jack.
- Suitable to test of all classes up to 1200mm dia., 2.5 meter length with suitable frame.
- it is also available in one jack, two jack and three jack model
- it is also available in hydraulic power pack operated.
- Up to 2600mm dia. also available.

Shree Ashutosh Industries

Pressure Testing Machine

Suitable for all type of cement pipe like Plane Ended, Flush Joint, Spigot & Socket type.

Model	Size	Diameter
SAIPT 1	2 meter	100 to 300mm
SAIPT 2	2.5 meter	300 to 1200mm
SAIPT 3	2.5 meter	300 to 2600mm
